MEMORANDUM FOR: SSA/DDS

SUBJECT : Representation Allowances - Fiscal Year 1972

REFERENCE : Memorandum for C/AF, 4 May 1971, Same Subject

1. Attached is Africa Division's proposed schedule of representation allowances for Fiscal Year 1972. The schedule reflects the FY 1971 authorization and proposed changes for FY 1972.

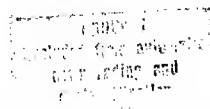

2. The total requested represents no change from our FY 1971 authorization. I would point out however, that while there are no net increases or decreases, I am recommending a change in the "mix" for reasons stated below:

- a) 25X1A [REDACTED] + \$300 - I am proposing this increase as a reflection of expanded liaison activities beginning in early FY 1971 and expected to carry thru FY 1972.
- b) 25X1A [REDACTED] - \$200 - The recommended decrease is based on the FY 1971 obligational experience which is anticipated to be about the same in FY 1972.
- c) 25X1A [REDACTED] + \$800 - We have just received approval to open a new station in [REDACTED]. While I have no experience data for [REDACTED] representation allowances, I do believe that the recommended level will prove realistic based on comparisons with other stations.
- d) 25X1A [REDACTED] - \$500 - As you know, we have no operational personnel in [REDACTED] at present. However as we hope to re-open the station during FY 1972, I am recommending that we leave some "seed money" for representation in FY 1972, albeit \$500 less than our FY 1971 allowance.

- e) [REDACTED] - \$400 - The hostile political climate resulting in a forced curtailment of operational activity leaves me with no choice but to recommend a reduction for this station in FY 1972.

3. Estimates for all other stations are, in my judgment, realistic, based on our FY 1971 experience.
